A Fine Line of Helpful Conversation

BY "HOP"

Dear Boss —
Last night while I was driving home the strangest thing happened to me — a big flew right in my ear —

first I tried to get it out with a match but the more I poked the farther in he went. Tell I could feel him flapping on my hair.

—and Boss he sounded more like a airship or a big fee-roshus bird — than a fly and I got scared and jumped out of the car and started to run —

FLAP FLAP — BR — and I told a farm house about my fly — and he said he could help me much except to tell me that he knew a lady once who had the same trouble —

And she spent \$10,000 trying to get it out — then went crazy and died — When the fly heard him talking he flew out of my ear into his where he belonged all the time — Yours Scoop

Jacobs Wins from Alexander in First and Evans Wins Second.

PITTSBURG, Aug. 22.—Philadelphia lost two games to the Pittsburgh Pirates Monday, the first by the score of six to three and the second 2 to 1. In the first game Alexander was reached for two hits and a walk, coupled with an error by Niehoff, which broke a three-three tie and scored three runs winning the game. In the second game Evans and Demaree both pitched good ball and the last inning found the game tied, one to one. Carey opened the last half of the ninth with a safe hit, went all the way to third on Schulte's sacrifice and scored on Hinchman's safe hit.

HOW OLD ARE YOU BY YOUR HAIR?

You may be thirty in years, but if you are baldheaded or gray, people will surely take you to be many years older.

Dandruff is the root of most hair evils. If it were not for the little destructive germs working with a persistency worthy of a better cause, there would be but little baldness, and less people prematurely gray.

Parian Sage will help you to keep young looking and attractive. It is guaranteed by Wols-Haymaker Co. to make hair grow and stop falling hair; to remove every bit of dandruff; to stop itching of the scalp almost instantly.

Parian Sage is one of the most invigorating, satisfying and pleasant hair dressings made; it makes the hair soft, luxuriant and handsome; it is especially praised by women who love beautiful soft and lustrous hair. Parian Sage is sold by druggists everywhere, and a large bottle never costs more than 50 cents.—Advertisement.

It was learned Tuesday that the persons in the automobile hit by a train at West End crossing Sunday afternoon were Mr. and Mrs. E. J. Parker, of Hoodsville, Marion county, and Mrs. James Boor, of near Fairmont. Reports Monday were to the effect that no one was hurt, but a dispatch from Fairmont states Mrs. Boor is suffering with a fractured hip.

AN INTERRUPTED JOURNEY.
When Brother Jim, my two year old, set out the world to see, He did not deem it worth his while To say good-bye to me; Not one of us was made aware that 'Twas his plan to start. And all the baggage that he took Was just an empty cart.

When Brother Jim, my two year old, set out the world to see, And when my Jimmy's absence was Reported unto me, I rushed down to the boathouse; I rushed out on the pier, And searched the silent waters With trembling and with fear.

When Brother Jim, my two year old, set out the world to see, A neighbor found him on the road And brought him back to me. And when he'd been delivered safe, Into the arms of dad, Then Brother Jim broke down and cried, For he was boiling mad.

FATIMA

A Sensible Cigarette

Comfortable—that's why they're sensible.

As you've probably noticed, it is the keen, active-minded type of man who is particular to choose Fatimas. If you were smoking Fatimas, you would know why. You would find that Fatimas, more than any other cigarette, are comfortable while you smoke and after you smoke them.

Their delicately balanced Turkish blend makes them a sensible cigarette to smoke. Why not prove this for yourself?

NEW FORD IS SEEN BY MANY PEOPLE HERE

At Least 2,000 Persons Inspect the New Model at Local Agency in One Day.

Monday was a busy day for the local Ford agency. Fully 2,000 persons called to inspect the new model that is on display at the show room at 147 West Main street. The chief features of the new body are a longer, sloping hood, an oval radiator, giving a more efficient cooling system, and crowned fenders.

The little Detroit representative evidently created a favorable impression. One and all alike agreed that the new model is by far the most attractive, and best built car ever put out by the Ford Motor Company. So complete appeared to be the satisfaction of the people in general that a number of rural agencies were established. With this comes a better selling organization and more efficient and courteous service for the owners of Ford cars everywhere.
